Turnstile general information

Turnstile Pottery Cooperative is a cooperatively managed and owned, fully equipped, pottery studio, available to clay artists through monthly membership and to the general public through community workshops. We have 2 kilns, 6 wheels and an open shared studio space.

membership turnstile is open to new members. membership includes: 24 hour studio access, the opportunity to show and sell art work and participate in and instruct community workshops. \$100/month for independent ceramic artists and potters. Members become full members of the co-op board and take part in the committees needed to operate the studio.

pottery sales the studio is open for pottery sales every day of the week from 1-5 pm or by chance. Bi-yearly group sales are organized... around Christmas and early summer.

workshops turnstile offers workshops for adults and youth throughout the year. Interested members can teach workshops and are paid \$20/hour.

sculpture club tuesdays 8 – 9 p.m. join members for live model sculpture sessions. cost is \$10 per person, which includes sculpting clay (free for members). sessions are self-guided, no instruction is offered.

open studio drop in Thursdays 7:30 – 9pm. Studio is open to general public for drop in. \$15 provides 1.5 hours of time in the studio, supplies included, instruction is minimal.

private parties the studio offers private parties for groups of up to 15, with a minimum of 10 persons. Great for birthdays, christmas parties or corporate events. Cost is \$15 per person . \$10 for children.
